POLICIES

FOOD & BEVERAGE MINIMUM

There is a food & beverage minimum spending requirement that corresponds to each event space and service period in order to reserve the space privately (or we can offer a full restaurant buy-out!). Minimums are subject to seasonal increase. Any food or beverage consumed during your event will go towards the food & beverage minimum spending requirement. If the minimum is not met, the difference will be applied as a room charge (or you can order a nice bottle of wine to meet the difference).

MENUS & DIETARY RESTRICTIONS

All parties of 20 or more guests are required to use our pre-selected menus. We require menu selections one (1) week prior to the event, but do not need quantities on the selections in advance. Children are welcome to order off our limited children menu and will be charged as such. We are happy to customize your menu to accommodate special dietary needs or restrictions with prior notice.

OUTSIDE FOOD & DRINK

Tribeca Tavern does not permit outside food or beverage with the exception of cakes. If there is a specific wine or cocktail you would like to offer to your guests, please ask our team and we'll be happy to discuss options.

GUEST COUNT

The final guest count is due three (3) days prior to the event. If a guaranteed guest count is not provided by the due date, the estimated guest count will be used as the guarantee. The guaranteed guest count is the number of guests for which Tribeca Tavern will prepare and charge. As a courtesy, a member of our team will email the host a final guest count reminder for confirmation. The host may respond via email or phone call to confirm the guaranteed guest count.

DECOR

All decor must be approved by Tribeca Tavern in advance. Glitter, feathers, sand, grass, leaves, and confetti of any kind, including balloons filled with confetti, are prohibited. Any tape or adhesive used must not be adhered to painted walls. It is the host's responsibility to remove all decor items at the end of the event.

CONTRACT & FINAL PAYMENT

The contract will not be considered secure until a signature is on file with credit card information. Payment will be due in full on one (1) check at the end of the event. We will only allow the check to be split a maximum of three (3) ways. In the event of a cash bar, alcohol will be paid for separately by each guest, but the above policy still applies to the food bill.

SERVICE CHARGE & TAXES

Tax and service charges are not included in the above food & beverage minimum spending requirement. All events are subject to 8.25% tax and a 20% service charge.
